SNHU Announces Honor Roll for 2024 C-6 (Oct - Dec)

Jan 14

Southern New Hampshire University congratulates the following students on being named to the Honor Roll for the 2024 C-6 (Oct - Dec) term. Honor Roll is a term-specific achievement that recognizes learners who excel at SNHU. It was established in 2022 to help recognize academic excellence in our part-time and graduate learners.

Eligibility for the SNHU Honor Roll requires full-time or part-time undergraduate, graduate, or coursework only online or campus students to earn an academic grade point average (GPA) of 3.5 or higher for an individual term.

Please note: Full-time undergraduate students who receive the Honor Roll may also be eligible for the President's List or Dean's List. Honor Roll is awarded at the end of each term, while the President's List and Dean's List are recognized at the end of the 16-week campus terms or following paired 8-week terms for online students.

While acknowledgment of the Honor Roll is an achievement, it is not a recognized university honor and has no bearing on eligibility for honor societies, Latin honors, or ceremonial honors at the time of conferral or during the Commencement ceremony, nor will it be noted on the student's academic transcript or diploma. Please see the university catalog for policies specific to Latin and ceremonial honors.
